Trade-marks Journal
Vol. 63 No. 3206

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

GOODS

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments, namely, telescopes, microscopes, cameras, Centering apparatus for photographic transparencies, namely, slide framing apparatus, enlarging apparatus, namely, photographic photocopiers, photometers, shutters, camcorders, cinematographic cameras, film cutters, optic apertometers, binoculars, projection apparatus, namely, projectors, namely, video projectors, cinematographic projectors, slide projectors, scanners, namely, computer scanners, laser scanners, bar-code scanners, biometric scanners, namely fingerprint scanners, retina scanners, voice scanners and facial scanners, spectacles, laboratory precision balances, barometers, signal bells, alarm bells;

apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, namely, transformers, circuits, generators, automotive batteries, camera batteries, cellular phone batteries, general purpose batteries, watch batteries, electric wires, electrical microcircuits, circuit boards, automotive battery chargers, camera battery chargers, cellular phone battery chargers, general purpose battery chargers, chargers for mobile phones and for electric tools for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus, namely, audio tape recorders, audio cassette recorders, video cassette recorders, video monitors, video tape recorders, dvd recorders, digital video recorders, tape recorders, televisions and television receivers, electronic connectors for video recorders for recording, transmission or reproduction of sound or images; walkie-talkies; portable and mobile telephones and parts, spare parts and fittings thereof; holders, sheaths, covers and cases for portable and mobile phones; cables, plugs, adaptors, namely, audio/video cable, computer cable, electric cable, electric plugs, video cable adaptors; batteries (accumulators), namely, automotive batteries, camera batteries, cellular phone batteries, general purpose batteries, hearing aid batteries, watch batteries, camcorder batteries, cordless phone batteries, and MP3 player batteries, charging devices for accumulators for wireless mobile phones; subscriber identity module cards, also for use with portable and mobile phones; mobile phone face plates; ring tones (being downloadable ringtones), downloadable software applications for purchasing and reading educational books; downloadable software applications for taking, editing, storing and viewing files, namely, text files, photographs, music files, video files and image files; downloadable software applications for searching for and viewing news items on the Internet; downloadable software applications for social networks, weather and downloadable software applications for purchasing, streaming of music, purchasing, streaming of videos and downloadable software applications containing information in the fields of music, finance, health and fitness, lifestyle, medicine, travelling, sports, entertainment in the fields of culture, lifestyle, news, nature, science and history, and economy and downloadable software applications for navigation and playing, purchasing video games, all for mobile phones and tablets, downloadable ringtones for mobile telephones, downloadable radio podcasts, Downloadable multimedia news webcasts, downloadable multimedia news weblogs, movies, TV shows, interactive games played on computers; photocopying apparatus and machines, namely, photocopiers; blank compact discs, DVDs, floppy discs, hard discs, audio tapes, video tapes, and compact flash drives, pre-recorded compact discs, DVDs, floppy discs, hard discs, video tapes, and compact flash drives, containing music, movies, tv-shows and documentaries, pre-recorded audio tapes containing music and audio books, records; personal stereos; mechanisms for coin-operated apparatus; cash registers; calculating machines, namely, calculators; data processing equipment, namely, card punching and sorting machines for data processing, printers, namely, computer printers, color printers, laser printers, photo printers, plotters, and computers; computers; computer programs and software, namely computer operation systems for entertainment, games, educational, cultural and sporting events and non-alcoholic beverages; fire-extinguishing apparatus, namely, fire hoses, fire hose nozzles, fire extinguishers, fire sprinklers; automatic cash dispensing machines, ticket dispensers, namely, bus ticket dispensers, lottery ticket dispensers, train ticket dispensers, flight ticket dispensers, and event ticket dispensers, automatic photographic booths; machine readable data carriers, namely, optical and magnetic data carriers containing computer software in the field of electronic games, entertainment, music, culture, sports, namely, computer software for organizing and viewing digital images and photographs, computer software that allows transmission of graphics to mobile telephones, computer software to enhance audio visual capabilities of multimedia applications for integration of text, audio, graphics, still images and moving pictures with programs installed; electronic publications (downloadable), namely, books, journals, magazines, instructional and teaching manuals in the field of sports, culture, lifestyle, news, nature, science, and history and

entertainment, newsletters, newspapers, periodicals, reports; Computer operating programs; computer games programs, namely, computer games and downloadable computer games; mouse pads; Navigation apparatus for vehicles, namely, global positioning system (GPS) consisting of computers, computer software, transmitters, receivers, and network interface devices; protective clothing, namely, protective spectacles, protective masks, namely, divers' masks, and fencing masks, and protective helmets, namely, football helmets, racing and biking helmets, skiing and snowboard helmets, in particular for sports purposes; protective spectacles, protective masks, namely, divers' masks, and fencing masks, and protective helmets, namely, football helmets, racing and biking helmets, skiing and snowboard helmets, in particular for sports purposes; protective shields for athletic use, namely, ear, body and face protective shields; spectacles, spectacle frames , spectacle cases and holders, sunglasses, goggles for sports, namely, ski goggles, swim goggles, pilot goggles, parachutist goggles, and diving goggles; headphones; breathing apparatus for divers, namely, compressed-air tanks for underwater swimming, diving snorkels, divers' masks; special purpose containers of leather, metal, plastic, textile, and paper, namely, cases, sheaths, housings, for all the aforementioned goods; light buoys, namely, navigation and danger light buoys; marker buoys; life-saving buoys; signaling buoys; wind socks; electric batteries and accumulators for general household and automobile purposes; magnets, namely, fridge magnets, industrial magnets , craft magnets, pain relief magnets, and decorative magnets; magnetic bracelets containing encoded identification information; acoustic conduits, acoustic couplers, Acoustic [sound] alarms, namely, burglar alarms, fire alarms, personal security alarms, and smoke alarms, radio and television aerials, agendas (electronic), audio amplifiers, Amplifying tubes, namely, audio amplifying tubes, optical amplifying tubes, signal amplifying tubes, sound amplifying tubes, stereo amplifying tubes, Amplifying valves, namely, audio amplifying valves, optical amplifying valves, signal amplifying valves, sound amplifying valves, and stereo amplifying valves, answering machines, car antennas, cell phone antennas, radio antennas, and television antennas, cabinets for loudspeakers, electric cables, computer cables, encoded magnetic cards, namely, magnetically encoded hotel room key cards, debit cards, credit cards, telephone cards, prepaid gift cards, prepaid payment cards, namely prepaid credit cards and stored value cards, prepaid magnetic cards, namely prepaid smart/SIM cards and key cards, computer central processing units, computer chips [integrated circuits], recorded computer operating programs, computer peripheral devices, namely, computer keyboards, monitors, printers, scanners, joysticks, microphones, TV screens, external hard drives, CD-ROM drives, media card readers, cameras, digital camcorders, digital mixers, and modems, computer operating programs, recorded; recorded computer software for data processing, namely computer software for transmitting, integrating, distributing, displaying, tracking, monitoring, managing and collecting data, in the field of sports, culture, lifestyle, news, nature, science, history, business management and customer relations management, recorded computer software to automate data warehousing; blank optical data media, namely, CDs, CD-ROMs, DVDs, pre-recorded optical data media, namely, optical discs, such as CDs and DVDs containing multimedia files in the fields of music, energy drinks, science and history and informative content about entertainment, namely, movies, television programs and radio programs, sporting events, culture, nature and technology, card punching and sorting machines for data processing, electronic notice boards, hands free kits for phones, high-frequency apparatus, namely, high frequency transmitters, high frequency receivers, high frequency synthesizers, and high frequency converters, integrated circuit cards [smart cards], namely, telephone smart cards, electronic toll smart cards, hotel room key smart card, identification smart cards, credit smart cards, debit smart cards, authorization cards for pay television, public transport smart cards, public phone smart cards , parking meter smart cards, computer security smart cards, and blank smart cards, integrated circuits, intercommunication apparatus, namely, intercoms, junction boxes [electricity], junction sleeves for electric cables, laptop computers, loudspeakers, blank magnetic data media, namely,

floppy disks, hard discs, plastic cards with a magnetic strip, magnetic tapes, and magnetic memory cards, Pre-recorded magnetic data media, namely, floppy disks, hard discs, plastic cards with a magnetic strip, magnetic tapes, and magnetic memory cards containing multimedia files in the fields of music, energy drinks, science and history and informative content about entertainment, namely, movies, television programs and radio programs, sporting events, culture, nature and technology, namely, floppy disks, hard discs, plastic cards with a magnetic strip, magnetic tapes, and magnetic memory cards, masts for wireless aerials, microprocessors, computer hardware, computer software to automate data warehousing, navigational instruments, namely, directional compasses, notebook computers, radio pagers, radiotelephony sets, laser range finders, audio receivers, stereo receivers, telephone receivers, video receivers, Sound recording carriers, Sound recording discs, and Sound recording strips, namely, blank CDs, blank DVDs, blank USB sticks, blank audio discs, blank discs, blank floppy disks, blank hard discs, blank laser discs, and blank optical discs, Pre-recorded sound recording carriers, Pre-recorded sound recording discs, and Pre-recorded sound recording strips, namely optical discs, USB sticks, CDs and DVDs containing multimedia files in the fields of music, energy drinks, science and history and informative content about entertainment, namely, movies, television programs and radio programs, sporting events, culture, nature and computer technology, depth sounding leads, depth sounding lines, Telephone apparatus, namely, telephones, answering machines, and mobile phones, telephone receivers, telephone wires, Television apparatus, namely, televisions, television antennas, picture tubes, and television receivers, radio transmitters [telecommunication]; Transmitting sets [telecommunication], namely, radio transmitting sets, video game cartridges, video telephones, electrical wire connectors , electrical wires; computer mouse; photograph drying racks; Remote control apparatus, namely, remote controls for stereos, televisions, DVD players, dimmers, video game consoles, cameras, computers and optical disc drive players; signalling panels, namely luminous video screens and mechanical video screens; stereoscopes; Stereoscopic apparatus, namely, stereoscopic cameras, and stereoscopic video players; Paper, cardboard and goods made from these materials, namely, towels of paper, table napkins of paper, paper and cardboard coasters, covers, namely, book, CD, DVD, VHS, and record covers, packaging of paper or cardboard, namely, paper and cardboard boxes, paper and cardboard bags, advertisement boards of paper or card, filter paper, handkerchiefs of paper, toilet paper, bottle envelopes of cardboard or paper, packing paper, packaging containers, namely, cardboard boxes and plastic storage containers, and packaging bags; paper bags, envelopes, and pouches for packaging; plastic bags, envelopes, and pouches for packaging; printed matter, namely, flyers, greeting cards, sports trading cards, business cards; leaflets, magazines, books, printed publications, namely, periodical publications, magazines, books , newspapers, newsletters, prospectuses, instructional and teaching manuals in the field of sports, culture, lifestyle, news, nature, science, and history and entertainment, booklets and graphic representations, namely, posters, cards, namely, note cards, place cards, business cards, postcards, greetings cards, gift cards, birthday cards and sports trading cards, brochures and folders [stationery]; bookbinding material, photographs [printed], periodicals, pictures, posters, placards of paper or cardboard, catalogues, transparencies [stationery], flags of paper; boxes and signboards of paper or cardboard; calendars; clipboards; stationery, namely, binders, envelopes, labels, folders, note pads, paper, staplers, pens, pencils, erasers, drawing pads, pens and pencils, erasers and paperweights; decals, stickers [stationery]; labels, namely, iron-on labels not of textile; adhesives [glues] for stationery or household purposes; artists materials, namely, drawing, painting and modelling materials and instruments, namely, pencils, pastels [crayons], watercolors [paintings] , aquarells, artists watercolour saucers, painters' easels, modeling clay and modeling compounds; paint brushes; date stamps, office rubber stamps, rubber document stamps; typewriters, electric and non-electric; office requisites, except furniture, namely, filing trays, file folders, adhesive tape dispensers, paper hole punches, staplers, paper cutting knives, paper shredders, pens, correcting

fluids, correcting tapes, envelope sealing machine, paper folding machines, rubber bands, pencil sharpeners, letter openers, erasers; instructions and teaching material [except apparatus], namely, geographical maps, instruction books, interactive board games, interactive video games, interactive sport games and puzzles, journals, on-line tutorials in the field of music, sports, energy drinks, news, culture, nature, science and history; plastic materials for packaging, namely, plastic bags, plastic bubble wrap, plastic boxes, plastic film for packaging, plastic film for wrapping, plastic bubble packs for wrapping or packaging; printers' type, printing blocks; slate and black boards; writing and drawing instruments, writing and drawing materials, namely, pencils, spring pins, pens, pen holders, markers, highlighters, brushes, chalk, sharpeners, protractors, rulers, erasers, pastels [crayons], watercolors [paintings], aquarells, artists watercolour saucers, painters' easels; self-adhesive tapes for stationery or household purposes; money clips.

SERVICES

Advertising the wares and services of others, including sporting events; arranging of advertising for others for sports and cultural events and competitions; distribution of goods for advertising purposes, namely, dissemination of advertising matter for others through print, television, radio broadcasting and internet broadcasting, broadcast and electronic media, namely, email, websites, all for advertising events, sporting and cultural events, sporting and cultural competitions; layout services for advertising purposes for others; on-line advertising for others on a computer network; rental of advertising time on communication media, namely, radio, television, internet; news clipping services; business administration consultancy services; business management; business administration; office functions, namely, word-processing services, book-keeping, accounting, photocopying, personnel placement and recruitment, budget development and implementation, payroll, records management, risk management, and IT (Information Technology), namely, technical support services in the form of monitoring network systems, technical support services in the form of troubleshooting of computer hardware, software, and network problems; organization of trade fairs and exhibitions for commercial or advertising purposes, namely, athletic competitions, sports competitions, entertainment events and contests in the nature of trampoline competitions, trick riding, races, namely, horse races, equestrian sports competitions, bicycle races , boat races, canoeing and kayaking competitions, rowing competitions, auto races, motorcycle races, ski races, cross country ski races, skiing competitions, snowboard races, snowboarding competitions, running races, running competitions, swimming races, skate races and air races, cycling competitions, track and field athletic competitions and exhibitions, American football competitions, archery competitions, soccer competitions, badminton competitions, baseball competitions, basketball competitions, biathlon competitions, bobsleigh competitions, boccia competitions, bowling competitions, boxing competitions, cricket competitions, darts tournaments, dog sledding races, fencing competitions, hockey competitions, figure skating competitions, golf tournaments, gymnastics competitions, handball competitions, ice hockey competitions, martial arts competitions, motorsport competitions, rugby competitions, skateboarding competitions, snooker competitions, speed skating competitions, surfing competitions, table tennis competitions, taekwando competitions, tennis tournaments, triathlon competitions, volleyball competitions, water skiing competitions, weightlifting competitions, and respective exhibitions, exhibitions and skills-based events involving swimming, synchronized diving, synchronized swimming, triathlon, water aerobics, water polo, boat racing, bodyboarding, cable skiing, canoeing, fishing, jet skiing, kayaking, kiteboarding, kitesurfing, parasailing, rafting, rowing, sailing, snorkeling, stand up paddle surfing, surfing, wakeboarding, waterskiing, windsurfing, yachting, aerobatics, air races, airplanes, motorcycles, dirt bikes, on-road and off-road vehicles, kart cross racers, and rally cars; organization of trade fairs and exhibitions for commercial or advertising purposes, namely, book launch events,

musical competitions and exhibitions, music concerts, music festivals, dancing competitions and exhibitions, art exhibitions, and movies; rental of vending machines; the bringing together, for the benefit of others, of a variety of goods, enabling customers to conveniently view and purchase those goods, namely clothing, headgear, namely, caps, headbands and hats and footwear, mobile phones and accessories, mobile phone software and applications, games software, software, vending machines, magazines, leaflets, publications, namely, printed publications in the fields of movies television, celebrities, sports, movies, culture and music, electronic legal publications, electronic medical publications, electronic entertainment publications in the fields of movies, television, celebrities, sports, culture and music, electronic educational publications in the fields of nutrition, fitness, history, science, information technology, nature, business and management, engineering, architecture, health, agriculture, culture and creative arts, jewelry, watches, fashion accessories, bags and wallets, suitcases, purses, boxes, briefcases, eye wear, sporting articles, beverages, alcoholic beverages (except beers), beers and waters (beverages), from the Internet web site, retail store, or wholesale outlet; compilation of financial statistics for advertising purposes; sponsorship search for athletic competitions, sports competitions, entertainment events and contests in the nature of trampoline competitions, trick riding, races, namely, horse races, equestrian sports competitions, bicycle races , boat races, canoeing and kayaking competitions, rowing competitions, auto races, motorcycle races, ski races, cross country ski races, skiing competitions, snowboard races, snowboarding competitions, running races, running competitions, swimming races, skate races and air races, cycling competitions, track and field athletic competitions and exhibitions, American football competitions, archery competitions, soccer competitions, badminton competitions, baseball competitions, basketball competitions, biathlon competitions, bobsleigh competitions, boccia competitions, bowling competitions, boxing competitions, cricket competitions, darts tournaments, dog sledding races, fencing competitions, hockey competitions, figure skating competitions, golf tournaments, gymnastics competitions, handball competitions, ice hockey competitions, martial arts competitions, motorsport competitions, rugby competitions, skateboarding competitions, snooker competitions, speed skating competitions , surfing competitions, table tennis competitions, taekwando competitions, tennis tournaments, triathlon competitions, volleyball competitions, water skiing competitions, weightlifting competitions, and respective exhibitions, exhibitions and skills-based events involving swimming, synchronized diving, synchronized swimming, triathlon, water aerobics, water polo, boat racing, bodyboarding, cable skiing, canoeing, fishing, jet skiing, kayaking, kiteboarding, kitesurfing, parasailing, rafting, rowing, sailing, snorkeling, stand up paddle surfing, surfing, wakeboarding, waterskiing, windsurfing , yachting, aerobatics, air races, airplanes, motorcycles, dirt bikes, on-road and off-road vehicles, kart cross racers, and rally cars; sponsorship search for scientific projects and documentary and entertainment films, musical competitions, band concerts and music festivals; commercial administration of the licensing of the goods and services of others, administrative processing of purchase orders, updating of advertising material for others; dissemination of advertising matter for others via the Internet, arranging newspaper subscriptions for others, Arranging subscriptions to telecommunication services for others, namely Wireless digital messaging services, Providing multiple user access to a global computer network, business management of performing artists, Business information services in the field of taxes, market research, credit and financial information , sports industry, publishing industry, media industry, beverage industry, film industry, telecommunications industry, games industry, economic analysis, and IT (Information Technology), namely, computer network management, computer database management, computer hardware and software consultation, Commercial information agencies providing mortgage information, legal information and tax information, compilation of information into computer databases, systemization of information into computer databases, public relations, Publication and Writing of publicity texts, namely, press releases, columns, namely, newspaper columns and magazine columns, and

SM@RT APP

GOODS

Electronic insurance application forms downloadable through a website or a mobile network; computer software, namely software program permitting the download of insurance application forms, completion of such insurance application forms and the submission of such completed insurance application forms through the Internet or through a mobile network; computer software, namely software program that provides information about insurance products and permits the comparison of such products and their respective features; computer software, namely software program permitting a policyholder to pay premiums electronically, review information about an issued insurance policy, and make claims with respect to an issued insurance policy electronically, review information about an issued insurance policy, and make claims with respect to an issued insurance policy.

SERVICES

(1) Operation of a website permitting the download of the following software: computer software, namely software program permitting the download of insurance application forms, completion of such insurance application forms and the submission of such completed insurance application forms through the Internet or through a mobile network; computer software, namely software program that provides information about insurance products and permits the comparison of such products and their respective features; computer software, namely software program permitting a policyholder to pay premiums electronically, review information about an issued insurance policy, and make claims with respect to an issued insurance policy

(2) Distribution of the following software through a mobile network: computer software, namely software program permitting the download of insurance application forms, completion of such insurance application forms and the submission of such completed insurance application forms through the Internet or through a mobile network; computer software namely software program that provides information about insurance products and permits the comparison of such products and their respective features; computer software namely, software program permitting a policyholder to pay premiums electronically, review information about an issued insurance policy, and make claims with respect to an issued insurance policy

(3) Insurance services.

(4) Operation of a website permitting the download of insurance application forms and claims forms ; operation of a website permitting the review and comparison of various insurance products and their respective features; operation of a website permitting the online completion and submission of insurance applications; operation of a website permitting the electronic payment of insurance premiums; Distribution of the following software through a mobile network: computer software, namely software program permitting the download of insurance application forms, completion of such insurance application forms and the submission of such completed insurance application forms through the Internet or through a mobile network; computer software, namely software program that provides information about insurance products and permits the comparison of such products and their respective features; computer software, namely software program permitting a policyholder to pay premiums electronically, review information about an issued insurance policy, and make claims with respect to an issued insurance policy

RUSH POKER

GOODS

(1) downloadable computer game software for playing poker; computer software, computer application software and computer programs for playing card games; computer hardware; sunglasses; frames for glasses; sport glasses (eye glasses); goggles for use in sports; sports eyewear; spectacle holders; binoculars; cases adapted for binoculars; bags and cases specially adapted for holding or carrying portable, mobile, handheld and tablet devices; carriers for mobile phones; cases for mobile phones; holders adapted for mobile phones; mobile phone covers; mobile phone straps; laptop carrying cases; laptop covers; mouse mats; mouse pads.

(2) newspapers; magazines; periodicals; brochures; pamphlets; photographs; posters; advertisement boards of paper andcardboard

(3) Playing cards

SERVICES

(1) on-line enterainment, namely, streaming of poker tournaments and competitions and conducting on-line poker tournaments and competitions; on-line services featuring interactive multi-player poker games and tournaments; organization of and administration of poker tournaments and interactive on-line poker tournaments; providing online information and non-downloadable electronic newsletters in the field of poker; electronic newsletters in the field of television entertainment, poker tournaments, card games and poker distributed via the internet, electronic mail and portable, mobile, handheld and tablet devices

(2) business administration; Business administration services; Information, advisory and consultrancy services in the field of business administration, including such services provided on line and via the Internet; Information, advisory and consultancy services in the field of business administration, including such services provided on line and via the internet; Computer software design; Computer software design and development; Creating, designing and maintaining web sites; creating, designing , writing and up-grading web pages for others; Design of web pages; Creating and maintainging websites; Design of homepages and websites; Design, creation, hosting , maintenance of websites for others; Provision of information in the field of computer programs.

(3) broadcasting services in the field of coad gaming provided by telephone and by radio; providing access to computer networks for gaming and for information in the field of cardgames and access to competitions for these games via the global computer network, wireless networks and interactive television; Entertainment and culture activities, namely services in the field of card games and tournaments for poker, including via the internet

PUNCH INDUSTRY

GOODS

(1) Iron and steel; Nonferrous metals and their alloys; metal pulleys, springs and valves [not including machine elements]; metal junctions for pipes; metal hardware;

(2) Iron and steel; Nonferrous metals and their alloys; metal materials for building or construction, namely chimney shafts of metal, stair treads of metal, guardrails of metal, wall linings of metal, pilings of metal, pipes, tubes, plates, bolts, bars and anchors of metal, fences of metal, ceiling and floor tiles of metal, shelf boards of metal, handrails of metal, ceiling boards of metal, ceiling panels and tiles of metal, door knobs of metal, sliding door pulleys or rollers of metal, doors of metal, door handles of metal, door closers of metal, pillars of metal; loading and unloading pallets of metal; turn-tables for load handling; traversers for load handling; metal pulleys, springs and valves [not including machine elements]; metal junctions for pipes; metal flanges; metal hardware; industrial packaging containers of metal; metal nameplates and door nameplates; tool boxes of metal (empty); metal joinery fittings; safes;

(3) Parts and accessories for press dies for metal forming, namely diesets; parts and accessories for plastic molds, namely eyebolts, distance space, hose nipples, mold opening prevention plates ;

(4) Metalworking machines and tools; mining machines and apparatus, namely cutter loaders, coal cutting machines, oil-well pumping machines, rock drills, well drilling machines, mining drill sharpeners, mine borers, coal loaders, truck mills [for mining purposes], coal ploughs; construction machines and apparatus, namely excavating machines, foundation work machines, ground surface finishing and compacting machines, concrete machines, asphalt paving machines, dredging machines; loading-unloading machines and apparatus, namely cranes, conveyors, hoisting or winding gears, moving pavements[sidewalks], escalators, elevators[lifts], power jacks, unloading hoppers, automatic warehousing systems; chemical processing machines and apparatus, namely presses[for chemical processing], agitators[for chemical processing],adsorbing machines[for chemical processing], mixing or blending machines[for chemical processing], dust collecting machines[for chemical processing],sintering machines[for chemical processing],calcining machines [for chemical processing],cleaning apparatus[for chemical processing], namely, vacuum cleaners for industrial purposes; sorting machines[for chemical processing], granulating machines[for chemical processing], extracting machines[for chemical processing], emulsifying machines[for chemical processing], kneading machines[for chemical processing], roasting machines[for chemical processing], disintegrators[for chemical processing], reaction vessels[for chemical processing],

partial condensers[for chemical processing], separating machines[for chemical processing], grinding mills[for chemical processing], dissolving machines[for chemical processing],filtering machines[for chemical processing; textile machines and apparatus, namely silk yarn re-reeling machines, cocoon drying machines, silk yarn testing machines, silk yarn bundling machines, silk yarn reeling machines, cocoon boiling machines, cocoon-waste treating machines, yarn singeing machines, yarn winding machines, yarn carding cans, yarn reeling machines, fiber blowing and scotching machines, yarn warping machines, yarn slivering and combing machines, spinning frames, roving machines, carding machines, yarn twisting machines, yarn drawing frames, looms, automatic looms, manual looms, special weaving looms, power looms; food or beverage processing machines and apparatus, namely barley press rollers, confectionery making machines, bread making machines, flour mills, rice or barley polishing machines, noodle making machines, barley splitting machines, brewing or fermenting machines and apparatus, sake-straining bags[for brewing], ice cream making machines, milk homogenizing machines, cheese making machines, butter machines, powdered milk making machines, condensed milk making machines, sausage machines, meat mincers, machines for flaking dried fish meat[Kezuri-bushi making machines], edible kelp processing machines, fish paste making machines, canning machines, root slicing machines, sugar making machines, oil processing machines, bottling machines, vegetable grating machines; lumbering, woodworking, or veneer or plywood making machines and apparatus, namely lumbering band saws, chain saws, special sawing machines[for woodworking], saw-tooth setting machines[for lumbering or woodworking saws], circular saws[for woodworking], sanding machines[for woodworking], tenoning machines, wood planing machines, wood lathes, wood milling machines, wood drilling machines, wood sawing machines, woodworking saw-tooth setting machines; pulp making, papermaking or paper-working machines and apparatus, namely wood grinding machines, wood chipping machines, barking machines, pulping machines, wood beating machines, pulp refining machines, paper calendering machines, paper coating machines, paper machines, paper cutting machines, drier part units[for papermaking machines], press part units[for papermaking machines], paper reeling machines, wire part units[for papermaking machines], corrugated paperboard making machines, paper box making machines, paper bag making machines; printing or bookbinding machines and apparatus, namely intaglio printing machines, typecasting machines, photogravure printing presses, matrices[for use in printing], boxes for matrices[for printing], phototypesetting or composing machines, photo-engraving machines, bookbinding machines, typographic presses[letterpress], planographic printing machines; agricultural machines, agricultural implements other than hand-operated, namely agricultural cultivators, agricultural equipment for seeding, agricultural land fertilizing equipment, agricultural tractors, stubble cutting machines, harrows, ploughs[plows], power tillers, raking machines, reapers [agricultural machine], tedding machines, threshing machines, straw bale tightening machines, winnowers, corn husking machines, e grain sorting machines, hay binding machines, rice huskers, straw bag making implements, stem crushing machines, straw mat looms, rush mat looms, straw bale making implements, ramie brushing machines, ramie barking machines, straw rope finishing machines, straw rope making machines, straw softening machines, fodder presses, fodder cutting machines[feed cutters], fodder mixing machines[feed mixers], cake-fodder crushing machines[feed mills], milk filtering machines, milking machines; tobacco processing machines; packaging or wrapping machines, namely packing machines, strapping machines, sheaf-binding machines, sealing machines, wrapping machines; plastic processing machines and apparatus, namely compression molding machines, extrusion molding machines, injection molding machines, plastic molds; semiconductor manufacturing machines and systems; machines and apparatus for manufacturing rubber goods, namely rubber vulcanizing machines, rubber mixing machines, rubber forming machines, rubber mixing rolls, rubber molds; non-electric prime movers [not for land vehicles], namely gasoline engines, mufflers for motors and engines, diesel engines, sparking

plugs, kerosene engines, hot bulb engines, steam marine engines, steam land engines, turbojet engines, turboprop engines, ramjet engines, gas turbines, air turbines, steam turbines, hydraulic turbines, compressed air engines, nuclear prime movers; pneumatic or hydraulic machines and instruments; adhesive tape dispensing machines; automatic stamping machines; dishwashers; electric wax-polishing machines; washing machines; vacuum cleaners; electric food blenders; mechanical parking systems; vehicle washing installations; machine elements [not for land vehicles] , namely shafts, axes or spindles, bearings, shaft couplings or connectors, idling pulleys, pulleys, cams, reversing gears, reduction gears, hydraulic accumulators, hydraulic intensifiers, belt pulleys, power transmission belts, toothed wheels or gears, speed change gears, fluid couplings, hydraulic torque converters, links, roller chains, pneumatic shock absorbers, spring shock absorbers, spring-assisted hydraulic shock absorbers, laminated leaf-springs, spiral springs, cone brakes, disc brakes, band brakes, block brakes, angle valves, ball valves, cocks, automatic control valves, butterfly valves; lawnmowers; waste crushing machines; starters for motors and engines; AC motors and DC motors [not including those for land vehicles but including "parts" for any AC motors and DC motors] , namely stepping motors, servo motors, linear motors, induction motors, synchronous motors, brushless DC motors, and structural parts thereof; AC generators; DC generators; dynamo brushes; parts and accessories for press dies for metal forming, namely diesets; parts and accessories for plastic molds, namely eyebolts, distance space, hose nipples, mold opening prevention plates;

(5) Bladed or pointed hand tools; hand tools;

(6) Laboratory apparatus and instruments, namely air-gas producers, constant temperature incubators, constant humidity incubators, glassware for scientific experiments in laboratories, porcelain ware for scientific experiments in laboratories, furnaces for laboratory experiments; electrodes for medical use and welding electrodes;

(7) Electric arc welding machines; electric metal cutting machines (by air, gas or plasma); electric welding apparatus, namely vending machines; coin-operated gates for car parking facilities; vehicle breakdown warning triangles; luminous or mechanical road signs; arcade video game machines; electric door openers; laboratory apparatus and instruments, namely air-gas producers, constant temperature incubators, constant humidity incubators, glassware for scientific experiments in laboratories, porcelain ware for scientific experiments in laboratories, furnaces for laboratory experiments; photographic machines and apparatus, namely tilting heads, cameras, range finders, photo-developing, printing, enlarging or finishing machines and apparatus, tripods, shutters, bellows, spools, slide projectors, self-timers, exposure meters; cinematographic machines and apparatus, namely movie projectors, transparencies for overhead projectors, movie film developing or finishing machines, cinematographic cameras, projection screens for movie films, editing machines, sound recording apparatus, namely, audio and video cassette recorders; optical machines and apparatus, namely body-tubes for telescopes[lens-barrels], tripods[for telescopes], periscopes, binoculars, reflectors[for telescopes], prisms[for telescopes], telescopes, lenses[for telescopes], magnifying glasses, body-tubes for microscopes[lens-barrels], metallurgical microscopes, biological microscopes, reflectors[for microscopes], prisms[for microscopes], polarizing microscopes, stereoscopes; measuring or testing machines and instruments, namely temperature indicators, gasometers, thermometers, water meters, balances, ape measures, Japanese style box-shaped volume measure[Masu], planimeters, measuring rules, pressure gauges[manometers], level indicators[spirit levels], acoustic meters, tachometers, accelerometers, refractometers, luminous flux meters, photometers, altimeters, hygrometers, illuminometers, vibration meters, noisemeters, logs[measuring machines], speed indicators, calorimeters, viscosimeters, concentration meters, gravimeters, densimeters, dynamometers, flowmeters, angle gauges, angle dividing apparatus[measuring instruments] , namely, clinometers for measuring of

angles and slopes, spherometers, inclinometers, interferometers, graduation checkers[calibration checkers], length measuring gauges, screw-thread measuring machines and instruments, comparators[non-electric], surface roughness testing machines and instruments, flatness testing machines and instruments; power distribution or control machines and apparatus, namely electric switches, electric relays, circuit breakers, power controllers, current rectifiers, electric connectors, electric circuit closers, electric capacitors, electric resistors, local switches, power distributing boxes , plugboards, fuses[for electric current], lightning arresters, electric transformers, induction voltage regulators, electric reactors; rotary converters; phase modifiers for use in circuit boards and switchboards; batteries and cells, namely automotive batteries, camera batteries, cellular phone batteries, general purpose batteries; electric or magnetic meters and testers, namely phase indicators, oscillographs[oscilloscopes], circuit testers, antenna parameter measuring apparatus, detectors[electric or magnetic meters and testers], ground detectors[electric leakage detectors], magnetometers, frequency meters, vacuum tube characteristic testers, watt hour meters, resistance measuring instruments, voltmeters, wavemeters, ammeters, wattmeters, oscillators, capacity measures[electric or magnetic meters and testers]; electric wires and cables; electric flat irons; electric hair-curlers; electric buzzers; telecommunication devices and apparatus, namely intercoms, portable telephones, automatic switching apparatus[for telecommunication], namely, automatic switchboards; manual switching apparatus[for telecommunication], telephone sets, teletypewriters, automatic telegraphs, phototelegraphs, manual telegraphs, facsimile machines, television receivers[TV sets], television transmitters, radio receivers, radio transmitters, compact disc players, juke boxes, tape recorders, electric phonographs, record players, digital cameras, videodisc players, videotape recorders, DVD players, DVD recorders, antennas[aerials], cabinets[for telecommunication apparatus], coils[for telecommunication apparatus], magnetic tape erasers, magnetic tape cleaners, loudspeakers, connectors[for telecommunication apparatus], stands and racks[for telecommunication machines and apparatus], dials[for telecommunication apparatus], electric capacitors[for telecommunication apparatus], fuses[for telecommunication apparatus], electric resistors[for telecommunication apparatus], blank magnetic tapes for tape recorders, change-over switches[for telecommunication apparatus], plugboards, pickups[for telecommunication apparatus], blank video tapes, indicator lights[for telecommunication apparatus], electrical phonomotors, headphones, electrical transformers[for telecommunication apparatus], protectors[for telecommunication apparatus], namely, voltage surge protectors; microphones[for telecommunication apparatus], cleaning apparatus for phonograph records, blank record disks, sprays for phonograph records; electronic machines, apparatus and their parts, namely geiger counters, high frequency welders, cyclotrons[not for medical purposes], industrial X-ray machines and apparatus[not for medical use], industrial betatrons [not for medical use], magnetic prospecting machines, magnetic object detectors, shield cases for magnetic discs, seismic exploration machines and apparatus, hydrophone machines and apparatus, echo sounders, ultrasonic flaw detectors, ultrasonic sensors, electrostatic copying machines, electric door closing systems, electron microscopes, electronic desk calculators, hard disk drives, word processors, X-rays tubes[not for medical use], vacuum tubes, rectifier tubes, Cathode ray tubes, electric discharge tubes, thermistors, diodes, integrated circuits, large scale integrated circuits, computer operating programs; magnetic cores, namely inductance parts; fire boats; rockets; fire engines; cigar lighters for automobiles; gloves for protection against accidents, namely, protective gloves for medical use; fireproof garments; spectacles [eyeglasses and goggle]; electronic circuits and CD-ROMs recorded with programs for hand-held games with liquid crystal displays, namely, CD-ROMs containing computer games; slot machines; weight belts [for scuba diving]; wet suits; inflatable swimming floats; protective helmets for sports; air tanks [for scuba diving]; swimming flutter boards; regulators , namely pressure control valves; phonograph records; metronomes; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments;

(8) Esthetic massage apparatus for industrial purposes, namely massage chairs; medical apparatus and instruments, namely gastroscopes, magnetic resonance CT apparatus, keratoscopes, tenometers, speculums, sphygmomanometers, blood testing apparatus, eye testing machines, pelvimeters, clinical probes, electrocardiographs, tongue depressors, clinical thermometers, body-fat monitors, percussion hammers, stethoscopes, audiometers, electroencephalographs, Sharp curettes, surgical retractors, surgical forceps, surgical elevators, thoracoscopes, lithotomical instruments, obstetric dilators [gynecological dilators], dressing forceps [for surgical use], surgical excisers, surgical amputaters, surgical perforators, orthopedic apparatus for talipes, electric cauteries [for surgical use], electric bone operating machines, electric scalpels [for surgical purposes], blunt curettes [for surgical use], surgical knives, surgical raspatries, surgical scissors, platinum cauteries [for surgical use], dermatologic orthopedic instruments, bougies, bone setting machines and instruments, anesthetic inhalers, fallopian tube instruments, therapeutic inhalers, high frequency electromagnetic therapy apparatus, oxygen inhalators [for therapeutic purposes], ultraviolet radiator units for therapeutic purposes, defibrillators, pneumothorax apparatus , heart pacemakers, mercury arc lamp units for therapeutic purposes, infrared radiator units for therapeutic purposes, puncture apparatus [for therapeutic purposes] , namely, acupuncture equipment; carbon arc lamp units for therapeutic purposes, injection syringes [syringe barrels], injection needles, infusion apparatus [for therapeutic purposes], ultrasonic therapy machines and apparatus, short wave therapy machines and apparatus, therapeutic bath apparatus, namely, whirlpool baths; massage apparatus [for medical purposes] , namely massage chairs and massage tables; low frequency electric therapy apparatus, static electric therapy apparatus, dialyzers, acupuncture needles, sprayers [for medical purposes], suture apparatus [for medical purposes], radioisotope therapy apparatus and instruments, incubators for babies, blood transfusion apparatus , dissecting tables, wheel stretches for patient transport, instrument stands [for hospital use], instrument tables [for hospital use], instrument cabinets [for hospital use], operating tables [for surgical use], shadowless lights for surgical operation, sterilizing and disinfection apparatus [for hospital use], examining tables [for hospital use], stretchers [for patient transport], prescription table for hospital use, orthodontic machines and instruments [for dental purposes], dental cleansers, filling instruments [for dental purposes], dental drills, dental spreaders, dental chairs, dental excavators, dental broaches, prosthetic instruments for dental purposes, dental units, castrating apparatus [for veterinary purposes], obstetric apparatus [for veterinary purposes] , namely, vacuum release for use in obstetrics and medical instruments for obstetric examination; veterinary operation instruments, horseshoeing apparatus and instruments, supporters for medical purposes, artificial eyes, artificial limbs, artificial skin for surgical purposes, health trusses, strait jackets, splints [for medical purposes], anus prolapse bands, umbilical belts, elastic stockings [for medical purposes], vertebral orthopedic apparatus, namely, orthopedic corsets; abdominal belts [for medical purposes] , hearing aids for the deaf [acoustic aids], bone joints [for surgical purposes], X-ray CT scanners; electric massage apparatus for household purposes, namely massage chairs;

(9) Plastic semi-worked products, namely metalized plastic sheets, plastic sponges, laminated boards[of plastics], adhesive-coated plastic sheets, fiber-reinforced plastic boards, reflective plastic sheets, plastic film, plastic rods and bars

CLAIMS

Used in JAPAN on goods (1), (3), (6). Registered in or for JAPAN on December 08, 2006 under No . 5008845 on goods (1), (3), (6). Proposed Use in CANADA on goods (2), (4), (5), (7), (8), (9)

SERVICES

Home visits, in other words, workers go to parents' homes and provide a hand, an ear and a physical presence. Telephone calls, in other words workers are available to answer telephone calls from families 24 hours a day, 7 days a week. Respite care, in other words workers assist families with such tasks as household chores and babysitting and thus give parents some time to catch up on lost sleep and get their energy back. Accompaniment services, in other words workers escort families to such places as health and social services centres, clinics, hospitals, and the immigration office. Accompaniment services, in other words workers escort families to centres servicing the community, such as family resource centres, food banks, thrift stores, centres providing basic materials, training workshops, resource centres dedicated to ensuring successful immigrant integration, and drop-in daycare centres. Accompaniment in regard to activities, in other words workers escort families to the location of leisure activities, to municipal facilities such as libraries, swimming pools, recreation centres, and on errands. Meet-and-greet activities, in other words workers organize, in partnership with other community organizations or institutions, parties, outings, training workshops, and coffee get-togethers for families. Matching parents during family outings. Emotional support, in other words workers lend families a supportive ear and provide positive reinforcement and encouragement. Physical support, in other words workers provide physical assistance to families in caring for babies, performing household chores, and getting around, and they help them provide a safe and pleasant environment. Informational support, in other words workers inform families on baby care, including how to inspire trust through their first interactions with baby and what to do to foster their development. Network support, in other words workers inform families about the services offered by other organizations in their community, providing them with referrals and accompaniment services. Services for individuals newly arrived in Quebec, in other words workers provide families with Francization courses and with help returning to school and integrating the workforce. Last-minute provision and materials lending services, in other words workers provide families with necessary items such as diapers, infant formula, furniture, clothing, and car seats. Intergenerational activities, in other words workers organize, in partnership with other organizations or institutions, activities that bring together multiple generations. These include coffee get-togethers and parties.

namely, providing application programming interfaces (APIs) for the development of applications and services across a communications network; a software package, namely, middleware and operating system software comprising a part running embedded in IPTV set top boxes, broadband access gateways, femtocells, namely, cellular radio base stations and wireless access points, and cellular devices, namely, mobile handsets, mobile Internet routers and modems, smartphones, portable computers with embedded cellular/mobility connectivity, and a part running on remote servers; STB's (set top box's); access, signal distribution and home computer networks and systems using any transmission medium, namely, asymmetric digital subscriber line, fiber Ethernet accesses, and wireless local area networks (LAN) products, namely, mobile computer environment devices, wireless Ethernet dual access points, wireless Ethernet access points and starter kits comprising installation CD-ROM, manuals, fiber cutting kits, wireless gateway for home and business applications, wireless modules for handhelds, wireless LAN antennas, wireless LAN power injectors, domotic appliances namely set top boxes, video stations with cameras, remotely controlled home and other appliances, video conferencing STB, Internet protocol television (IPTV) STB namely customer premise equipment (CPE) and integrated access devices (IAD), web cams, alarm systems, digital subscriber line (DSL) terminations and distribution, and equipment and devices for use in the above broadband access systems namely modems, switches, routers, hubs, VoIP (voice over IP) integrated access devices, WIFI access points and repeaters, adapters; passive optical network (PaN) for applications in local area network (LAN) and metro area networks (MAN), namely optical network unit (ONU) and optical line termination (OLT) switches/routers, PDH (plesiochronous digital hierachy) access multiplexers, DSL multiplexers; last mile telecommunication equipment namely media converters, modems, gateways, switches, routers, multiplexers, home networking appliances, namely, VCR, cable box, set top boxes (STB), video stations with cameras, displays; DSL equipment namely modem, switches, routers, hubs; optical connectors, power suppliers, fan-outs for separating individual fibers or buffer tubes of a fiber-optic cable for the purpose of splicing or installing optical connectors; splice, optical splitters; end-to-end video solution namely video encoders, video servers, set top boxes, video cameras, video encoders and software namely for complete IP video broadcasting, optical cables, electrical cables, coaxial cables, telecommunication network cables; telecommunication and data communication equipment, namely, computers, telephones, cellular telephones, teleprinters, teletypewriters, routers, modems, multiplexers, transponders, printers, scanners, computer cables, coaxial cables and coaxial cable connectors, electric cables and electric cable connectors, electronic cables and electronic cable connectors, fiber optic cables and fiber optic cable connectors, telephone cables and connectors, surge suppressors, audio/video connectors, computer cable and connectors, splices, computer network adapters, Ethernet network interface adapters, Ethernet switches, Ethernet LAN hubs, LAN adapters, local area network (LAN) hubs and switches, Internet protocol appliances, namely IP routers, IP LAN/WAN routers, VoIP adapters, VoIP telephone sets, video display IP telephones sets and terminals, IPTV set-top boxes and video on demand servers; Ethernet and serial communication modems and fiber optic extenders, Ethernet, IP/MPLS, ATM, SONET, and TDM service demarcation units and network interface devices (NIDs), xDSL extenders and access multiplexers (DSLAMs), SONET/SDH multiplexers, radio frequency (RF) transceivers, transponders and extenders for Ethernet, TDM, SONET/SDH, and WiMax protocols; channel banks, digital cross-connects, multi-service provisioning platforms (MSPP) for Ethernet, PDH, and SONET / SDH protocols; optical wave division multiplexers, namely, CWDM and DWDM spectrum multiplexers and demultiplexers, fiber optic couplers, SFP/GBIC pluggable fiber optic interfaces, and parts thereof; set-top-boxes that can be hooked to a broadband Internet connection and to a television or video monitor, in order to offer video-on-demand, IPTV (Internet protocol television) and other media services to broadband users; wireless transceivers to stream content locally from a media server to a home entertainment apparatus; laptop computers; computer

memory cards; microprocessors; data processing apparatus namely, computers, laptop computers, processors, namely, central processing units; computer chipsets; blank optical discs; disk drives for computers; computer peripheral devices, namely, computer monitors, computer keyboards, computer mouse, computer microphones, computer speakers, USB drives, printers, digitizers, memory cards, SD cards, MMC cards, mini SD cards, micro SD cards, CF cards; integrated circuit boards; printed circuit boards; modems; data media, namely magnetic and optical data media, namely, blank audio/video tapes and discs, blank audio/video digital tapes; flash memory devices, namely, integrated circuit cards and memory cards; video cards; audio cards; memory cards; motherboards; daughter boards; graphic boards; audio and video receivers; apparatus for recording, transmission, reproduction and storage of sounds, images, video or data, namely, audio disc players and recorders, video disc players and recorders, digital audio players and recorders, digital video players and recorders, compact disc players and recorders, juke boxes for music, juke boxes for computers; mobile digital electronic devices namely, radios, radio receiving sets, MP3 players and recorders, DVD players and recorders, digital cameras, digital camcorders, mobile GPS devices, mobile TV devices, MP4 players and recorders, PDA; personal stereos; earphones; headphones; speakers; loudspeakers; woofers; general purpose batteries; storage batteries; rechargeable batteries; mobile phone applications, namely third generation smart phones, for services listed below, namely, for the dissemination of information and advertising, promoting and marketing the products of third parties on mobile phones; mobile communications products namely mobile eblasts, mobile bar code readers; servers to manage mobile websites and affiliated applications

(6) Clothing, namely, t-shirts, short sleeve t-shirts, long sleeve t-shirts, sleeveless t-shirts

(7) Computer database and computer software for inputting, storing, processing and retrieving information in the field of the operation of a personnel staffing services business, and user manuals and user instructions and help file for use therewith, distributed as a unit; software for evaluating and training temporary employees; pre-printed brochures, forms, labels and letterheads and instructional texts; computer software and manuals distributed therewith in the field of Human Resources (HR), namely, software for use by employers and employees in managing and processing information in the field of employment, payroll, payroll checks, payroll taxes, funds transfers, wage disbursements, benefits, time and attendance, recruiting, training; computer software for use in providing legal and regulatory compliance information in the field of Human Resources (HR); printed materials, namely, data sheets, brochures featuring legal and regulatory compliance information; newsletters and reports in the field of Human Resources (HR); printed instructional, educational and teaching materials, namely, user manuals and guides featuring topics in Human Resources (HR); computer software for personnel and payroll management, payroll cheques, payment records, payroll records, reports compiled from payroll and human resource information, training manuals in printed and electronic form; computer application software for payroll and Human Resources Management Systems (HRMS); souvenir items, namely, jackets, sweat shirt tops, key chain/fobs, baseball caps and hats; computer software in the field of employee benefits and compensation consulting services; computer software in the field of educational services, services of educating business personnel and management with respect to various issues in the field of employee benefits through seminars and through brochures; computer software for use in the field of management of health information, benefit management, absence tracking, monitoring and analysis, employee communication, employee compensation, benefit assessment; computer software for use in the field of business management and consultation, namely, personnel management and compensation, evaluation and management of employees, Human Resources (HR) administration, compilation of information into computer databases, information in the field of compensation and benefits, absence management, information in the field of the selection, deployment, motivation and management of people, information in the field of provision of pension benefit statements; computer software in the field of financial services, namely , computer software for use in administration of employee pension plans, employee benefits plans, compensation schemes, information and management of financial options and benefit schemes, provision and advice in relation to flexible benefit schemes, pension scheme administration, pension scheme documentation, retirement benefits and administration of share schemes

(8) A full line of computer software and related goods, namely, computer software in the fields of database management, development and design, information processing and management; manuals and instructions distributed therewith; computer programs for business, technical, commercial, educational, and personal computing uses in the fields of database management, operating systems, word processing, scheduling, electronic mail, spreadsheets, network presentations and instructional manuals distributed therewith; computer software and programs, namely, client/server architecture, relational database integration, database management, data access, data control, graphic user interface for business applications; computer software, namely middleware for business and other organizations to analyze and modify business processes by connecting software applications, exchange data and providing application development tools which will result in optimizing business and information technology operations, increase accuracy and timelines of business decisions, secure information, drive compliance, adherence to standards, and adapting to change; computer software and data-processing programs for use in database management, for use as a spreadsheet, for word processing, produced to the specifications and for use on the computers of others in the fields of Human Resources (HR), office and communication; written material for software and data processing programs, namely manuals, catalogues, operating instructions and working instructions; printed matter related to business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Systems (HRMS), business administration, accountancy and actuarial services, financial affairs, investments, insurance, superannuation; stationery, namely, notebooks, notepads, index cards, photocopy paper, printing paper, pens; downloadable electronic publications related to business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Systems (HRMS), business administration, accountancy and actuarial services, financial affairs, investments, insurance, superannuation

(9) Front and back office software for office administration, instructional, educational and teaching materials, namely, books, online glossaries, online tutorials; business documentation, namely, technical brochures, promotional brochures, recruitment brochures, teaching manuals; publications, namely, educational books, printed lessons and lectures, forms, diagrams, loose leaf binders, computer program documentation and manuals, newsletters, reports and brochures, all in the fields of business, information management, personnel training, computers, programs; pamphlets, books, newsletters, brochures, magazines, reports, journals, manuals and printed guides, all in the fields of business management, information technology, computerized information processing; computer programs for use in database management and for use in the field of management consulting; publications, namely manuals, newsletters, brochures, magazines and journals dealing with management, and management consulting; computer software for use in performing business administration, Human Resources (HR), auditing, accounting, tax analysis, database management functions, facilitation of project planning for the design, development, implementation and maintenance of computer and information systems; computer software for tax records management , education, auditing and accounting applications; computer programs with integrated business applications for use in the areas of accounting, Human Resources (HR), product distribution and retailing; books, brochures, directories and reports

(10) Software to enable uploading, posting, showing, displaying, tagging, blogging, sharing and streaming television programs via the internet and wireless communication networks; computer application software for mobile phones; computer software to enable the transmission of photographs to mobile telephones; leather cases, lanyards, straps; cases for mobile phones; blank CDs, compact disc cases, compact disc players; downloadable audio and video recordings; pre-recorded optical disks featuring audio and video recordings in the field of Human Resources (HR), Human Capital Management (HCM), Human Resource Management Systems (HRMS), business, information technology, computers, management training, financial planning and investment strategies; pre-recorded data storage media, namely hard drives, ROM drives and RAM drives, featuring audio and video recordings in the field of Human Resources (HR), Human Capital Management (HCM), Human Resource Management Systems (HRMS), business, information technology, computers, management training, financial planning and investment strategies; electronic financial publications, namely, magazines, newsletters, periodicals and financial information provided online from databases or the Internet; downloadable electronic financial publications, namely, magazines, newsletters, periodicals; computer software for providing in the field of Human Resources (HR), Human Capital Management (HCM), Human Resource Management Systems (HRMS) via global computer networks, local computer networks, the Internet, and for use on personal computers, mobile phones, Personal Digital Assistants (PDA) and wireless communication devices; printed publications and materials, namely, books, periodicals, magazines and newsletters, all featuring in the field of Human Resources (HR), Human Capital Management (HCM), Human Resource Management Systems (HRMS); magazine dealing with business, in the field of Human Resources (HR), Human Capital Management (HCM), Human Resource Management Systems (HRMS); computer software and programs for use in database and network management in the field of organization management, personnel management, personnel placement and recruiting, for multimedia applications, namely the presentation of seminars, conferences, symposiums, congresses and the like for educational training, the broadcasting of television programs, news dissemination; computer software for a secure communication via the Internet and from LAN and mobile devices to the Internet and to other LANs, namely for authentication, encryption, virus and spam scanning, identification of users, and secured gateways to the general Internet; computer software and downloadable computer software, embedded software, firmware for use with digital video, audio and data compression, data management, storing, decompression and playback; hardware and software for use in communicating with video transmission units compressing and decompressing, displaying, storing and logging images in the field of television and live performances and communication interfaces for use with desk top media players, embedded media players, namely, CD and DVD players, televisions, digital video recorders, Internet Protocol Television (IPTV) and wireless devices, namely, cell phones and Personal Digital Assistants (PDA); media player software that can be installed on a personal computer and allows to play back audio and video content that is downloaded from the Internet; computer software and programs, downloadable from the Internet or recorded on CDs and DVDs, to enable recording, editing, transmission, reproduction and management of sounds, images, video or data on mobile audio/video electronic devices and multimedia entertainment devices, namely, CD and DVD players, televisions, digital video recorders, Internet Protocol Television (IPTV) and wireless devices, namely, cell phones and Personal Digital Assistants (PDA); software, namely mobile web software, mobile eblast software; cloud-based software

SERVICES

(1) Application services provider (ASP) featuring software in the field of employment, namely, job searching, job placement, job tracking; telephone directory advertising services; providing information via the Internet on franchising, franchise business opportunities and franchise consultants; contest services provided over a global computer network, namely, arranging of promotional contests and sweepstakes

(2) Application services provider (ASP) featuring software in the field of Human Capital Management (HCM) and Human Resources (HR), namely, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Services (HRMS), business, information technology, computers, management training, financial planning and investment strategies; administrative management of a commercial enterprise; testing designed to determine the industrial skills, dexterity and hand-eye coordination of employee and temporary help personnel; testing of all kinds namely, psychometric testing, essential skills testing, office skills testing, IT and computer software testing; language and communication testing, health testing, industry knowledge testing, Human Resources (HR) testing, namely, employment skills testing, intellectual abilities testing, coaching testing, managing people testing, training development testing, aptitude testing; payroll administration, management and processing services; processing payroll wage attachments, garnishments and arrestments on order of a court or government agency and remittance of attached funds to the appropriate recipient; payroll tax preparation and filing services; providing information via the Internet, namely, payroll preparation in the nature of payroll check administration, wage payroll preparation in the nature of wage attachments, garnishments and arrestments, and disbursements; financial services provided to employers, namely, issuance of paychecks to employees, transfers of funds, and deposits to accounts with respect to payroll and payroll disbursements, payroll taxes, payroll deductions, unemployment compensation, wage attachments, garnishments, and arrestments, and benefits as well as payroll tax debiting and crediting services; tax payment processing services, namely payroll withholding taxes and remittance of taxes to the appropriate taxing authorities for all applicable jurisdictions, namely, federal, state, provincial, municipal, and local; benefits administration, enrollment and eligibility services for employers and employees in the field of employee health, insurance, welfare, transportation, educational assistance and retirement benefits; counseling in the fields of workplace issues, personal health, well being, nutrition, mental health and substance abuse; providing information via the Internet for employers and employees and their families in the field of family matters, elder care, health, well being, and nutrition; drug testing for substance abuse; development of web-based interactive business applications, namely payroll calculation; form processing; technical support services in the form of analyzing, debugging, researching, troubleshooting and resolving of computer hardware and software problems; pension administration training course designed to help course participants to better understand basic pension principles; providing temporary use of non-downloadable computer software for payroll administration, payroll tax calculation, and tax regulation compliance; business management planning and business marketing consulting consultation, namely, advising clients in all business fields, namely aerospace and defense, electronics, telecommunications, automotive, basic materials, consumer industries, media pharmaceuticals and medical products, retail, energy, healthcare, insurance and transportation, about business strategy, organization performance and business related policy areas; business merger consultation; business administration services; auditing; book-keeping; provision of business information; business investigations; marketing research; marketing studies; drawing up of statements of accounts; statistical studies and provision of statistical and commercial information; tax preparation; debt collection services or similar services to debt collection; financial analysis and consultation in the nature of assisting clients with financial and strategic initiatives, namely, financial restructuring, value-based management, executive compensation design, valuation of unusual situations, privatization, mergers, acquisitions

, alliances and joint ventures, takeover defense, financial engineering, asset options, hedging and risk management; investment services, namely, investment management and investing funds for others; financial and investment services in the field of the establishment and operation of superannuation funds, personal superannuation funds, self employed superannuation funds; educational services in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Services (HRMS), business administration, accountancy and actuarial services, financial affairs, investments, insurance, superannuation; training services in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Services (HRMS), business administration, accountancy and actuarial services, financial affairs, investments, insurance, superannuation; correspondence courses in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Services (HRMS), business administration, management; organization of exhibitions for educational purposes in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Services (HRMS), business administration, management; accountancy and actuarial services, financial investment counseling; Capital investment consulting services insurance, superannuation; arranging and conducting of ateliers, colloquiums, conferences, congresses, seminars, symposiums and workshops in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Services (HRMS), business administration, management, accountancy and actuarial services, financial affairs, investments, insurance, superannuation; education club services; legal services; information services in the field of healthcare; health management; analysis of information in the field of health

(3) Hosting of computer software; business process outsourcing services, namely, customer service and support; finance and accounting; order management and sourcing and procurement; data security; Information Technology (IT) infrastructure management; online retail store services in the field of computer software; testing, analysis and evaluation of the goods and services of others for the purpose of certification; licensing and leasing of computers software, and financing of customer purchase or lease of same; planning of and participation in trade shows, conferences and seminars in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR) and Human Resource Management Systems (HRMS); development, use, servicing, support, provision and monitoring of computer programs and software, namely, for production and materials management; quality management and maintenance in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Systems (HRMS), business administration, management; advertising the wares and services of others; providing business information; marketing the wares and services of others; wireless and mobile phone messaging services in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital Management (HCM), Human Resources (HR), Human Resource Management Systems (HRMS), business administration, management; providing access to the Internet; providing access to electronic databases in the fields of business administration, information technology, computers, management, financial planning and investment strategies, Human Capital

Management (HCM), Human Resources (HR), Human Resource Management Systems (HRMS), business administration, management; providing access to GPS (global positioning system) navigation services; e-mail hosting service; wireless data messaging services, namely services that enable a user to send and receive messages through a wireless data network; one-way and two-way paging services; telecommunications consultation, namely, providing information to third parties to assist them in developing and integrating one-way or two-way wireless connectivity to data, namely corporate and home, personal data and voice communications; providing GPS (global positioning system) navigation services; providing information in the field of travel and transportation; education and training services, namely, classes, seminars and conferences for the purpose of providing information to third parties to assist them in using, developing and supporting wireless connectivity devices and related wireless connectivity and computer communication software; consultancy and technical support services in the field of computer hardware and software, to telecommunication and GPS (global positioning system) services; technical support services, namely, resolution of wireless connectivity devices and related computer software and hardware problems; e-mail service; wireless data messaging services, namely, services that enable a user to send and receive messages through a wireless data network using a handheld, portable electronic device; one-way and two-way paging services; electronic processing and transmission of bill payment data; providing access to the Internet; providing access to GPS (global positioning system) navigation services; provision of connectivity services and access to electronic communications networks for transmission or reception of audio, video one-way and two-way paging services; broadcasting and transmission of radio programs; broadcasting and transmission of streamed and downloadable digital audio and video content via computer and other communications networks; providing search engines for obtaining data via communications networks; searching, browsing and retrieving information, sites, and other resources available on global computer networks and other communication networks for others; technical support services , namely, resolution of wireless connectivity devices and related computer software and hardware problems; monitoring services, namely tracking online references to businesses, organizations, and business topics; charitable services, namely promoting public awareness about charitable, community service and volunteer activities; electronic publishing services for others; electronic and online publishing services; providing online computer databases and information from searchable indices and databases of information, namely text, electronic documents, graphics and audio visual information by means of global computer information networks or other communications networks; telecommunication services, namely, providing online and telecommunication facilities, namely, wireless networks for real-time interaction between and among users of computers, mobile and handheld computers, and wired and wireless communication devices

(4) Custom designing computer software for computer equipment manufacturers; insolvency services, namely, bankruptcy and receivership services and services related to review of businesses designed to detect signs of insolvency, the formulation and independent opinions on a business' financial position; assistance with collection techniques; recommendations in the field of improved profitability; merger acquisition and divestiture consulting and advisory services; market research services; financial consulting and advisory services; actuarial consulting services; financial valuation services in the areas of business enterprises, inventories, assets, equipment, licensing, real estate and intellectual property; real estate appraisal services; risk management services; online information services in the field of venture capital investment practices; marketing consulting services, namely, consulting on marketing strategies, market research and market studies, marketing brand recognition strategies; procurement services, namely, purchasing computer hardware and software for others; operational product management namely project management in the fields of information systems, design specification, procurement, installations, implementation; business acquisitions consulting; market analyses; business appraisals, namely

financial analyses; conducting business and market research surveys; business consulting, namely providing information and consultation in the field of business management, business networking, business planning, business research, business acquisition and merger, business administration and business finance; business networking; economic forecasting and analysis; arranging and conducting trade shows and conferences for others in the field of the management of business, business marketing; financial affairs, namely, providing financial information, monetary exchange, financial and analysis consulting; venture capital financing; financial analyses; mediation services in the field of business controversies; operation of a business for others, namely, travel agencies; computerized accounting services and revenue accounting management services in the field of travel, transportation, and temporary lodging; travel agency services, namely, making reservations for transportation; travel information services; computer services, namely, providing an online computer database in the fields of travel and transportation; application service provider (ASP) featuring software for operating reservation systems, revenue accounting systems, revenue management systems, pricing distribution systems, and customer loyalty program management systems, all in the fields of travel, transportation, and temporary lodging; application service provider (ASP), namely, hosting computer software applications of others; providing an online computer database in the field of temporary lodging; travel agency services, namely, making reservations for temporary lodging; business process management and consulting; business marketing consulting services; providing information in the fields of business management, business marketing, business acquisitions and mergers consulting; project management in the fields of information systems design, specification, procurement of computer hardware and software for others; analysis services, namely, market analysis; conducting business and market research surveys; business supervision; commercial and industrial management assistance; arranging and conducting trade shows and conferences in the field of business and business management providing information in the fields of consulting; providing financial information by electronic means; improvement of short-term business performance; computer and software consultation as well as design of computer hardware and software in connection with financial management consulting; marketing, manufacturing and distribution manpower development, planning and control, management information and information technology; educational services in the nature of conducting seminars, workshops, and conferences in the field of business management; business management; business administration; litigation support services, namely, investigative audits and financial analyses; accounting services; auditing services; compliance and consultation services, namely, tax compliance and consultation services, business and government management consulting services; consulting services in the field of computer based information systems for businesses; consulting services in the field of identification, prioritization, analyses, design, development and implementation of computer-based information systems for insurance and other financial service business and other industries; insurance services and insurance advisory services; financial planning, consulting and management services; actuarial services; financial research services in the fields of benefits, business interruption and loss determination; financing services namely, litigation support services, investigative audits and financial analyses; real estate investment services; accounts auditing services, tax preparation, planning, compliance and consultation services; bookkeeping services; services rendered for assistance and advice on organization and management of businesses; services rendered for market research; services rendered for analysis of cost price; consulting and advisory services in the management of businesses and trading functions of industrial and commercial companies; financial and economic research in the attainment of benefits, business interruption, loss determination; real estate investment services; litigation and dispute support services; consulting and advisory services in the field of telecommunication information systems; tax consulting and advisory services; merger, acquisition and divestiture consulting and advisory services; financial investment counseling

consulting and advisory services; arbitration services; information technology consulting and advisory services; environmental consulting services, namely, developing and implementing practices, and reviewing standards for the purpose of compliance with environmental protection laws, regulations and programs; financial management; financial portfolio management; financial research; insurance consultation and administration; insurance brokerage services; financial administration; fiscal assessments; fund investments; mortgage services; mutual funds; installment loans, financial business liquidation services; capital investments; check verification; credit card services; financial evaluation; insurance consultancy; insurance administration; insurance underwriting; stock exchange quotations; stocks and bonds brokerage; issuance of tokens of value; tax consulting and advisory services; capital investment and advisory services; accounting services , taxation services and auditing services, providing information on real estate services, providing information on mortgage insurance and finance services, providing information about sales and rentals of homes and apartments; relocation services, namely, providing information on moving services; providing information on various services available namely geographic areas, namely, landscape gardening and care services, interior decorating services, shopping venues, and real estate lawyers; providing weather and crime statistics in specific communities; providing quote and reservation services for temporary housing; providing information about building inspections; temporary non-downloadable software for calculating income requirements for specified loans, payment plans for particular types of loans, upfront loan costs, and how much of a loan a particular consumer can afford to take, providing information about childcare options, coupons and discounts, home furnishings, home improvement, drinking water, automobile services and home security services; online financial planning and management services

(5) Installation and maintenance of the software product that monitors the quality of video and audio television signals delivered over the Internet and the performance of the equipment in which the software product is resident and operates, specifically, the provision of upgrades; retail store services in the fields of entertainment and education, namely, musical, video, and audiovisual works provided via telephone, radio, cellular telephone networks, wireless communication networks , the Internet, electronic communications networks, and computer networks; providing search engines for obtaining data via communications networks; cable television services, namely the retransmission of cable television broadcast programming, cable television broadcasting, cable television programming, cable television production; providing access to non-downloadable software to enable content providers to track multimedia content; financial and investment information services provided by electronic means as well as in print, specifically online from a computer database or via the Internet; financial investment information; subscriber based information services in the fields of finance, investments and insurance; electronic news agency services; streaming of audio video and audio visual material containing business and financial news, advertising the goods and services of others and information providing access to an interactive computer database in the field of investment, business and financial news and information by means of a global computer network; providing access to computer bulletin boards and electronic bulletin boards in the field of investment, business and financial news and information, broadcasting services, namely, audio broadcasting services, radio broadcasting services, television broadcasting services, video broadcasting services, audio/video broadcasting services; news syndication reporting; news reporting services; news programming services for transmission across the Internet; broadcast services, namely the production, recording, transmission, distribution and licensing of television programs and the operation of television networks; broadcast services, namely, the production, recording, transmission, distribution and licensing of radio programs and the operation of radio networks; operating and managing satellite services for worldwide communications; electronic commerce services, namely the design, hosting and management of electronic and online virtual malls, catalogues and stores; Internet services,

namely the operation of an Internet web site in the field of multi-media; web casting services, namely, providing search engines for accessing, retrieving and obtaining information and data on a variety of topics, providing access to third parties web content, electronic processing, storage, management of information and data through a computer global network; financial information processing; financial information, namely, financial news in the field of companies and economics, provided by telecommunication, electronic mail or via Internet web pages; financial services, namely, electronic processing and transmission of bill payment data; scanning of web-pages on the Internet and classification of web-pages; installation, maintenance and repair services for communication network systems; technical consultation in the field of computer hardware and software, offering information in the field of computer hardware and software, computer integration and configuration services and design of computers for others; information technology services, namely, development, design, enhancement and testing of information technology infrastructure systems; analysis, maintenance and support of existing technology infrastructure; evaluating and testing information technology systems for quality, performance and functional benchmarking purposes; consulting and evaluating product life cycle management; supply chain management, namely, analysis and performance management of procurement and inventory functions; web hosting; providing emergency alerts for personal and vehicle safety, namely, providing roadside emergency services, namely, remote door unlock, theft detection and notification, stolen vehicle tracking, remote monitoring of airbag deployment and emergency dispatch services on detection of air bag deployment; providing location assistance namely, providing real time navigational data, assistance and advice to motor vehicle operators; providing remote diagnostic services for assessing and monitoring vehicle operating systems, all of the above services being provided through components integrated into a motor vehicle, namely, transmitters, receivers, microprocessors, software, namely, mapping software, cellular phones, and electrical architecture all interacting with global positioning system satellite technology; providing digital convergence solutions, namely, providing hardware and embedded software solutions which enable FTTN (fiber to the node), FTTH (fiber to the home) and networking devices to integrate with content aggregator platforms, payment gateways, subscriber management systems and the Internet; global computer network access time rental services, Internet user access providing services, computer database access time rental services, teleconferencing services; mobile web optimization, namely, converting and migrating third party websites for viewing on mobile phones and any other available mobile platforms; optimizing a third party's website information to fit on any and all mobile platforms

(6) Providing information regarding careers and employment by way of a website on the Internet; provision of employment related electronic advertising services for others by way of an Internet website; providing information regarding careers targeted to professionals, and university and college students, recruitment and employment by way of a website on the Internet; provision of employment related electronic advertising services for other targeted to professionals, and university and college students by way of an Internet website; employment counseling and recruiting; employment agencies; providing information on employment and careers; online recruiting services, namely, searchable job postings and resumes; career management services; business consulting and market research services in the fields of employment recruitment, employee and job profiling, employee and employer (student) communications and employer branding; proving information about the cost of living in specific communities; proving information on employment opportunities, namely, unemployment rates and salary comparators; proving information on the unemployment rates and salary comparators; television programming services, namely, production of Human Resources Management Systems (HRMS), recruitment services, payroll administration and management services, international job opportunities, news on the topics of current events, business, employment and social issues; online computer information services, namely, the provision of information in the field of television programming, the distribution of

television programs which feature or are on the topics of the following through an Internet website, namely, Human Resource Management Systems (HRMS), recruitment services, payroll administration and management services, international job opportunities, current events, business, employment, social issues; providing information regarding careers, recruitment and employment, career and recruitment and employment related advertising services, resume management services; providing information regarding careers and employment by way of a website on the Internet; provision of employment related electronic advertising services for others by way of an Internet website; providing access to interactive databases in the field of recruitment of personnel and employment, information on jobs and careers, information on services of interest to people who relocate, information and advice on résumé/curriculum vitae (CV) creation, providing online employment placement services, namely résumé/curriculum vitae (CV) matching and résumé/ curriculum vitae (CV) transmittal services via a global computer network; providing information via the Internet on professional services for small businesses; providing access to a proprietary database containing information on prospective employees; online interactive career counseling services and résumé preparations for others; providing online information in the fields of recruitment of personnel, employment, jobs and careers; providing online information and advice on résumé/curriculum vitae (CV) creation, and services in the field of the posting of résumé/ curriculum vitae (CV) and the matching of résumé/curriculum vitae (CV) with employment opportunities listed by employers; employment services namely providing employment information services which are accessible online; providing employment information to employers and business entities via the worldwide web; providing online chat rooms and electronic bulletin boards for transmission of messages among users in the field of employment; providing newsletters in the field of Human Capital Management, namely recruitment and employment via electronic mail; online journals, namely, blogs featuring commentary and information in the field of employment; providing career information and job listings via a global computer network; online computer services, namely, an Internet site and electronic communications providing career counseling and advice and newsletters in the field of career counseling and advice; online computer services, namely, an Internet site and electronic communications providing information, email, job listings and advice in the field of employment and career services; employment information services, namely the provision of employment opportunity information to prospective employees and the provision of resume information to prospective employers; employment consultation services; providing a website in the field of employment opportunities and career placement which offers the exchange of information; online search engine services in the field of employment opportunities and career placement

(7) Temporary personnel services; placement of temporary personnel; personnel recruitment; employment agencies; administrative management of a commercial enterprise; business information and consultancy services in the field of the procurement of temporary and contract personnel; personnel management and resourcing consultancy services; temporary professional personnel services; placement of temporary professional personnel; recruitment of professional personnel; employment agencies for the placement of professional personnel; testing of individuals to determine employment skills; testing designed to determine the industrial skills, dexterity and hand-eye coordination of employee and temporary help personnel; furnishing of temporary and permanent employment services for skilled workers, unskilled workers, and semi-skilled workers - to organizations, businesses, and individuals across any and all industry segments and business sectors; personnel employment services, namely, providing teaching personnel to schools and educational districts; management of personnel and staffing; human resource consulting and on-site management of clients' Human Resources (HR) departments and needs; employment outplacement services; temporary and permanent employee placement services; vendor-on-premise services, namely, the administration of the employment process on-site, namely

resume review and checking, employment application acquisition, advertising for recruitment, conduct of interviews, and reference checking, all on-site; secretarial and clerical services, operators for bookkeeping and other business office machines and employment services involving the furnishing of temporary office help; payroll processing services; processing payroll wage attachments on order of a court or government agency and remittance of attached funds to the appropriate recipient; providing information in the field of Human Resources (HR); referrals in the fields of personal health, well being, nutrition, personal finance, career counseling, personal legal matters, mental health, substance abuse, concierge services, expatriate services; educational services, namely, conducting in-person and online classes, seminars, conferences, and workshops, and distributing course materials in connection therewith, in the fields of Human Resources (HR), payroll, benefits; providing information on compliance with laws and regulations in the field of Human Resources (HR), payroll and benefits; providing temporary use of online non-downloadable software in the field of Human Resources (HR), namely, software for use by employers and employees in managing and processing information in the field of employment, payroll, payroll checks, payroll taxes, funds transfers, wage disbursements, benefits, time and attendance, labor distribution, recruiting, training; pre-employment background investigations; payroll administration and management services and Human Resource Management Services (HRMS); providing an Internet web-site containing information on payroll and Human Resource Management Services (HRMS) and other employer services, namely, employee assistance programs, tax filing, benefits administration, deduction brokering, time and attendance tracking; end-to-end payroll processing; the provision of reports compiled from payroll and Human Resources Management Systems (HRMS); all training of client staff necessary to implement use of related computer software; the provision of reports compiled from payroll information; the provision of account payment services, namely arranging for the payment of accounts of others for wares sold or services rendered; Human Resources (HR) services, namely, providing a website that provides employees with a single access point for all of their Human Resources (HR) related information, transactions and tools, namely, workforce administration, payroll, benefits, compensation, relocation services and talent management; computer services, namely, providing an online database on research and information in the human resource, financial and business consulting fields; design, implementation and management of financial and human resource processes; consulting services in the fields of labor and management attitudes and opinions; facilities management software to control building environmental access and security systems; expense reporting, employee messaging and bulletin board services; actuarial services, risk management consulting services, employee benefits and compensation consulting services, business management consulting services, market research services and services of educating business personnel and management with respect to various issues in the field of employee benefits through seminars and through brochures; employee benefits and compensation consulting services and business management consulting services; employment consulting and interim employment placement services; employment consulting and recruiting services; providing information regarding careers, recruitment and employment; advertising agency services for others, specifically businesses wishing to recruit and employ; resume management services; providing information in the field of business, namely, information about employment, business analysis, and economic conditions in Canada and internationally via Internet, radio, television, and printed media; business management services and consulting services in the fields of Human Resources (HR), administration of retirement plans, business administration, business management, business networking, and business planning; business research and surveys, namely, creation, administration, interpretation and evaluation of online surveys to measure employee commitment, satisfaction, professional development and morale; personnel management and compensation consultation; consultation services for the evaluation and management of employees; compilation of information into computer databases; computerized

JT HARRIS

Image Description (Vienna)
- Skulls
- Stringed instruments
- Shields containing other figurative elements or inscriptions
- Shields containing representations of human beings or parts of the human body, with or without armour
- Shields containing representations of manufactured or industrial articles
- Rectangles
- One quadrilateral
- Black
- Red, pink, orange
- White, grey, silver

Colour Claim
Colour is claimed as a feature of the trade-mark. The Skull is white with grey highlights and glowing red half moon shaped eyes. The guitars are black with grey accents and a red binding around them . The shield is a dark burgundy that fades to black on the edges. From the inside out, there is silver binding, black binding and then red binding around the shield. The letters used for the name 'JT HARRIS' are seen in a metallic like silver which looks like steel. From the inside out there is black binding followed by red binding around the letters. The points at which the letters touch each other are only separated by black binding. The holes in the letters 'A' and 'R' are black. The slots in the letter 'S' are black.

- Letters presenting a special form of writing
- Letters linked to a figurative element -- Note: Letters representing a human being or a part of the human body, an animal or a part of an animal's body, a plant, a heavenly body, a natural phenomenon or an object are classified in division 27.3.
- Black
- Red, pink, orange
- White, grey, silver
- Blue

Colour Claim

Colour is claimed as a feature of the trade-mark. The colors black, red, white, and blue are claimed as a feature of the mark. The mark consists of a rectangle in portrait orientation with corniced corners, where the body of the mark is black, surrounded by a thin white border. The white border is bounded by a dotted line to show its extent, but such dotted line is not a part of the mark and no claim is made thereto. On the background appears an image of a red, white, and blue hot air balloon, divided horizontally into three colored sections. The top section is red; the middle section is white and depicts the word 'RE/MAX' in blue letters with a red slash; the bottom portion of the balloon is blue. The balloon is outlined in white. Below the balloon the words 'THE RE/MAX COLLECTION' appear in white serif font, with white horizontal rules below and above the words.

- Seals or stamps, circular
- Seals or stamps with representations of animals or parts of animals' bodies
- Seals or stamps with inscriptions
- Circles
- More than two circles or ellipses, inside one another, spirals
- Circles or ellipses containing representations of human beings or parts of the human body
- Circles or ellipses containing inscriptions arranged in circular or elliptical form
- Winged lions, griffons
- Shields containing representations of geometrical figures or solids, lines, bands or partitions
- Winged lions, griffons
- Shields containing representations of geometrical figures or solids, lines, bands or partitions
- Letters or numerals representing a human being or a part of the human body, an animal or a part of an animal's body, a plant, a heavenly body, a natural phenomenon or an object
- Letters or numerals representing an animal or a part of an animal's body
- One line or one band
- Thick lines, bands
- Horizontal lines or bands
- Black
- White, grey, silver
- Yellow, gold

Trademark Description

The trade-mark consists of a two-dimensional label consisting of a particular seal and the word ZONIN applied on the bottom portion of the label, a rectangular logo applied horizontally on the top portion of the label, as shown in the drawing. The reading matter in the seal on the bottom of the label is FAMIGLIA ZONIN and in the center of the seal contains the body of an animal. Below the seal appears a straight line in gold. The rectangular logo consists of the words 'BLACK EDITION' appearing in GOLD in the middle of two (2) horizontal lines in GOLD, one of which appearing on the top of such words and one of which appearing on the below of such words. The trade-mark consists of the color BLACK applied to the whole of the surface of the two-dimensional label. The words 'BLACK EDITION' 'FAMIGLIA ZONIN' and the seal on the bottom of the label along with the straight line appear in GOLD. The word ZONIN on the bottom of the label appears in WHITE. Color is claimed as a feature of the trade-mark. The Applicant claims the colors BLACK, WHITE and GOLD as a feature of the trade-mark insofar as it appears on the two-dimensional label. The three-dimensional object shown in dotted outline in the drawing does not form part of the trade-mark and is shown merely to provide an example of how the trade-mark may be applied to a three-dimensional object.The attached drawing shows two (2) aspects of the same trade-mark (front and perspective of the bottom seal).

Colour Claim

Colour is claimed as a feature of the trade-mark. The Applicant claims the colors BLACK, WHITE and GOLD as a feature of the trade-mark insofar as it appears on the two-dimensional label.
